

A screenshot from the game Grandia. The top banner features the title 'Grandia' in large blue letters. Below it, the subtitle 'Grandia: The Legend of Mana' is displayed. The main menu consists of several icons: a character icon, a map icon, a gear icon, a sword icon, a shield icon, a staff icon, a ring icon, a book icon, and a heart icon. The central part of the screen shows two character portraits: a dark-skinned man in a black robe and a woman with long blonde hair in a pink dress. To the left of these portraits is a box containing the text 'Grandia' and 'Grandia: The Legend of Mana'. To the right is another box with the text 'Grandia' and 'Grandia: The Legend of Mana'. At the bottom of the screen, there is a row of colored buttons: blue, red, green, yellow, and purple.

The image features a large, prominent red circular logo in the center. Inside the circle, the words "Cell Banking" are written in a bold, white, sans-serif font. The letters have a slight shadow effect, making them stand out against the red background. Surrounding the text in the center of the circle is a ring of small, colorful, glowing dots in shades of orange, yellow, green, and blue. Below this logo is a horizontal bar with several elements. On the left, there is a small circular icon with a grid pattern. Next to it is a dark blue square containing a white stylized letter 'M'. To the right of the 'M' is the text "Cell Banking" in a white, sans-serif font. Further to the right is another horizontal bar with a repeating pattern of small, colorful dots, similar to the ones in the logo.

A screenshot from a game interface. On the left, there is a vertical stack of five colored health bars: red, blue, green, yellow, and purple. Each bar has a numerical value indicating its current status. To the right of these bars is a character model with a multi-colored health system. The character's head and upper torso feature a complex arrangement of overlapping colored rectangles in red, blue, green, yellow, and purple. The character is standing on a grey ground surface. In the background, there are some blurred structures and a small red button at the bottom left.
